4-H is a program that is designed to teach leadership, citizenship and life skills to youth between the ages of 5-18 years old (by December). The 4-H slogan is to "learn by doing". Youth select project areas they want to learn, practice and master. This event will introduce you to many of the 4-H projects and clubs that youth are able to get involved in through the program. For a full listing of 4-H project and clubs in Larimer County, please go to: <http://larimer.colostate.edu/> and click on 4-H Youth Development.
